

Domaine de **L'Entre Deux Mondes**

**BORDEAUX SUPÉRIEUR – 33141 VILLEGOUGE**

Organic wine

Between earth and sky, the vine offers us the best of itself. We support it in its evolution, respecting its cycles and the variation of nature. We respect it by vinifying in a natural way, letting the indigenous yeasts ensure the alchemical expression of the terroir.

Patrick Dussert (Guide Dussert-Gerber 2020)  
The 2015 which continues to evolve, is a colorful wine with persistent aromas of ripe red berries and a touch of cinnamon, with supple and very balanced tannins
