

Honorary Presidents

- Pr. Boufendi Toufik
- Dr. Ammouchi Nesrine

Conference Chairs

- Dr. AYACHI Bilel, General chair

Paper Submission

All Abstract will be published in either Conference Proceeding book, which will include an ISBN.

A selected of high-quality presented papers will be published as a special issue in the indexed journal:

[Electrical Engineering & Electromechanics](#); Indexed in Web Of Science & Scopus

The selected papers will be published in extended version in different national journals.

Greetings from the Chair Main

International Conference on Power, and Modern Electrical systems 2024 will be organized in hybrid format (Onsite – Online), with the support of 20 Août 1955 – Skikda University, Algeria, and LES Laboratory.

The aim of ICPMES 2024 is to provide an international forum for researchers, academics, people in industry, and students to consider the latest research results and to present and discuss their ideas, theories, and technologies.

This is an excellent opportunity to exchange knowledge, establish collaborations and contribute to the advancement of modern power systems. We look forward to enriching discussions and high-quality presentations at this conference.

Aims and Scope

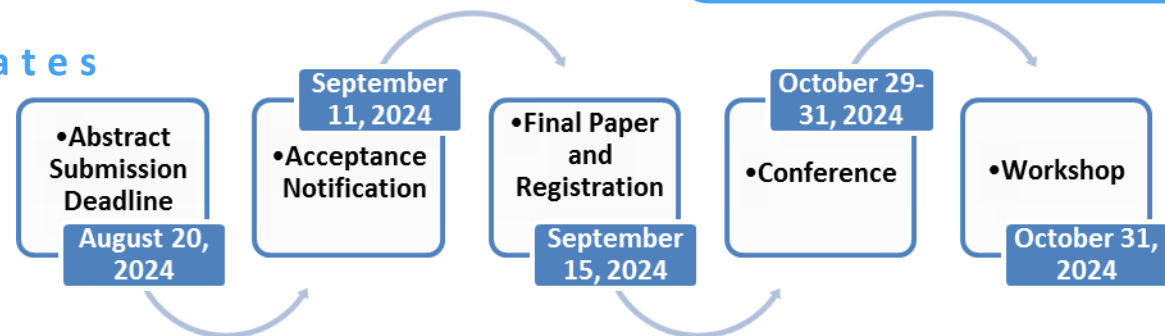

Topics of interest include, but are not limited to the following :

- Electrical Power Systems
- Electromagnetics and Electrical Machines Design
- Energy and Renewable Energy Applications
- Power Conversion and Electronics
- Automation and Intelligent Control
- High Voltage Insulation and Applications
- Mechatronics

Registration Fees

- University Researchers without /with one night accomodation: 10000 DA/13000 DA
- Students without/with one night accomodation: 7000DA/10000 DA
- Foreign Participants without/with one night accomodation: 200 Euros /300 Euros
- Workshop: 4000 DA
- Online Presentation : 4000 DA
- Others: 10000 DA

Dates

Welcome to ICPMES 2024

The conference is supported by
