Morbo ?

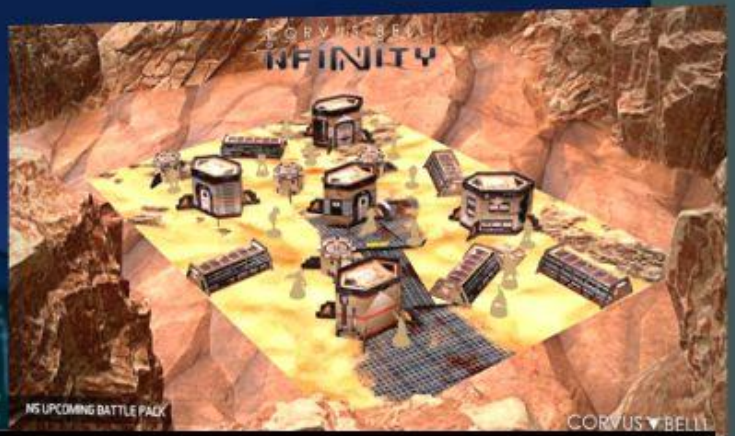

**SPECIAL  
REPORT**

**$\sqrt{2}$  NEWS**

Thanks human female. And now, a special report! Holy smokes, folks! The Tohaa are at it again, and this time they've gotten their grubby little hands on some inside scoops. Looks like someone's been doing some serious digging!

Could be is a usual tohaa conspiracy, I tell ya!  
But a conspiracy of the highest order!

Rumors on the street is that the Tohaa, or as we affectionately call them, the 'Artichoke Heads', have gotten their hands on some intel regarding the next 'Operation...' release.

A creature so hideous, so grotesque, that even the bravest of nomad would flee in terror! Worthy of Black Laboratories...

Prepare to be horrified, my little earthlings! Clipsosies have done it again! They've managed to decipher the demonic designs of a fresh new PanO troop! Or is it just a particularly ugly barnacle?

And so, my little earthlings, we have witnessed the horrifying revelation of the latest PanOceanian abomination. Sleep well tonight, if you dare. Remember, the Tohaa clipsosies are always watching, and the PanOceanian war machine is ever growing. But fear not, for I, Morbo, will be here to document your every scream of terror. Good night!
